

Ames Child Care Center

The Ames Child Care Center (ACCC) is a non-profit childcare center and preschool located at the NASA Ames Research Center at Moffett Field. Quality child care and preschool are available to children of civil servants, on-site contractor personnel, and military families stationed at Moffett Field. The tuition paid by the parents covers salaries and operational costs only. All other costs are covered by fundraising activities, such as the ACCC Golf Tournament. The ACCC is currently planning to move to a new, permanent facility, and the proceeds from this tournament will be used to purchase and equip the children's playgrounds at the new ACCC facility.
